

Special Announcement to HMGS East Members

We hope the membership appreciates how membership dues have remained at the bare minimum for many years. Unfortunately, increases in mailing, printing and membership maintenance costs have risen over the same period of time. In order to more effectively provide our members with timely information, The HMGS East Board of Directors elected **to increase membership dues to \$20.00 per year, effective November 14, 2004**. In addition to meeting our costs for membership dues, the newsletter and other associated organizational expenditures, the Board of Directors have established that portion of each membership fee will be placed into a separate operation fund to be used for our educational outreach, and other related projects outside of our convention operations. The organization is firmly committed to maintaining our charter and promoting the hobby. We appreciate your support.

Fred Hubig,
President HMGS East
